PWI Enlists Regional Business Development Specialists MINK Associates

February 02, 2023 – Wichita, KS -- PWI has partnered with MINK Associates to better serve customers locally and in the Midwest region. Frank Beyer of MINK Associates has more than 30 years of experience matching buyers with manufacturers in electronics, medical and a wide variety of other industries.

Robi Lorik, PWI CEO and President, said, "Frank and his team are very talented and extremely easy to work with. They have decades of experience matching manufacturers with customers, and solving manufacturing problems. Frank makes it look easy linking those companies he represents with customer needs, creating real business solutions", Lorik continued. "MINK often seems like an extension of the purchasing department of the companies he visits, finding parts, subassemblies and finished products that help buyers get products to market quicker. And everyone wants that kind of help," Lorik concluded.

-MORE-

Established in 1990, MINK Associates derived its name from the initial territories served: Missouri; Iowa; Nebraska; Kansas; Southern Illinois. With our solutions-based approach to selling, we provide a professional level of representation while helping our customers solve the daily design challenges. A comprehensive understanding of customer needs within our territory, coupled with deep product knowledge, have allowed MINK Associates to grow into the selling machine it is today. Frank Beyer can be reached at +1-316-729-7500, fbeyer@minkassociates.com or through the website at: www.minkassociates.com.

PWI is the OEM for most King Air interior lighting, extending a decades-long history of OEM fluorescent lights for business jets. New LED aviation products can be purchased direct or through our growing authorized dealer and distribution network. For more information, contact PWI at +1-316-942-2811 or contact sales, at sales@pwi-e.com.
