- 3 Year Warranty

LED LIGHTING INTERIOR UPGRADE

Refresh Your Citation with PWI LED Cabin Lights.

These LED systems replace fluorescents in the cabin.

No more high voltage ballasts, light flicker, hum or buzz. Add PWI LED reading lights to refresh the cabin. PWI LEDs are the final no-maintenance lighting solution.

Get the look of a new Citation without the cost.

PWI has several FAA-approved cabin lighting products for Citation jets.
